

# Davis Professional Services

## Training & Education Capabilities

### Who we are

Davis Professional Services (DPS) is a minority woman-owned certified small business (WOSB) based in Atlanta, GA that provides professional services to government and commercial customers.

DPS provides training services to support clients' internal teams and external customers. Our reputation for high-quality services ensure the best value possible. DPS services include training needs assessments, curriculum, instructor and employee guide development, job aides, and training delivery.

Our consultative approach to engagements builds trust with clients; we become an extension of their teams immersing ourselves into their cultures and ways of working.
